# EAST BRADY BOROUGH

## 2nd QUARTER 2022 NEWSLETTER

### East Brady Borough Information

The East Brady Borough Website is updated periodically.

Go to [www.eastbradyborough.com](http://www.eastbradyborough.com)

On the website, you can pay your bill online. The day before the next meeting, you will find the agenda for the meeting. They are held the first and third Tuesday of the month in Room 14 of the Community Center at 6 pm.

### Summer Growing Season

The heat of summer is upon us! Grass and shrubs are growing like crazy. When you cut your grass, please do not blow the grass clippings onto the streets. They clog our storm drains and are hazardous for bike riders.

Please trim back shrubs, bushes and trees that may be obstructing the view of stop signs or are at corners and make it hard for cars pulling out. Neighbors helping neighbors will keep us and our kids safe!

### New Regional Police Department

We have a new "Southern Clarion County Regional Police Department"! This was formerly the New Bethlehem Police Department. This new police force is shared by East Brady, Rimersburg, New Bethlehem and Hawthorn Boroughs. Robert Malnofsky remains as chief. You will see the name change on vehicles shortly. East Brady Borough applied for a \$150,000.00 Grant, on their behalf, to help get this new endeavor off the ground, and we were APPROVED! We were happy to help and be able to work together.

### Burning Ordinance

Please remember that we have a burning ordinance that prohibits trash burning after 6 pm and no Sunday or Holiday burning. Do not burn anything that will smoke and cause nasty smells. You **are** allowed to have a small campfire in an enclosed fire pit that burns wood.

### RIVERFEST!

The RIVERFEST Committee is planning to have a one day "Street Fair" on Saturday, July 16, 2022. Join us for food, music and Fireworks! Check out their Facebook page for more details.

### Downed Trees

Storms happen! When a tree is knocked down due to a storm, the fire company is alerted to make sure there are no power lines involved and they clear a path to open the street. The Borough maintenance crew may be able to clear a bit more, but it is the property owners responsibility to clear the rest.

### Activities for Kids of all ages

"Pick me up at playground" is a new event designed to get kids out and playing together. Check out Facebook for the next date. Bring the kids and make new friends.

"East Brady Rocks" is another event for everyone to have fun with. Paint some rocks and hide them around town. Once you find them, pick them up and hide them in a new place. They have a Facebook page as well. Kim Simpson (724-525-6468) organizes rock painting dates in the Community Center.

Take a walk around town, look for the beauty around you, and breath in the clean fresh air.

### CDBG Grants

East Brady Borough was the recipient of 2 Community Development Block Grants through Clarion County.

The first was a grant for upgrades to our Playground area. The basketball court will be resurfaced and new mulch will be added to our playground. We will also be getting a new spring toy!

The second Grant is for a new storm and sanitary sewer line on Lehner Drive. Lehner will then be repaved.

Both of these projects will be completed this summer!

### Paving Projects

Water Street, behind the Uni Mart, is slated to be repaved as well as School Street behind the Community Center.

The entire parking lot behind the Community Center is going to be regraded and paved to make a larger parking area.
