EAST BRADY BOROUGH

2nd QUARTER 2023 NEWSLETTER

East Brady Borough Information

Check out our website!

Go to www.eastbradyborough.com

New content is being added as time allows. There is a page just for Water & Sewer. It has our current rates and a button you can push to pay your bill on-line.

There is a tab with a calendar of events. The dates of the council meetings are published. The agenda for the council meetings is posted 24 hours before the next meeting. Citizens are welcome to attend. Let me know if you would like to speak, and I'll add you to the agenda.

You can reach the Borough office at the phone number or email at the top of the newsletter.

Water Line Identification

The DEP is requiring all water systems to provide them with information about the water service lines in the Borough. The enclosed flyer explains how to identify what your line is made of. Some of our homes are old and may still have lead service lines. This questionnaire will help us know what lines need to be replaced. Please read the questionnaire and look at the back side. It explains how to determine what your line is made of. Please fill it out and return it with your payment, or drop it off at the Borough office.

Your cooperation will save us a lot of time and money, and avoid having to have someone come **into** your home.

RIVERFEST!

Riverfest is right around the bend. Plan on a fun weekend July 14 & 15, 2023. Friday July 14 kicks off the weekend with a PARADE! Festivities continue on Saturday July 15. Main Event will be held at the All Stars parking lot, 411 Kellys Way, with vendors all along Kellys Way. There will be a kids corner, games of chance, vendors galore and live music. Put it on your calendar!

FIREWORKS are back!!!! Let's Light up the Hills.

East Brady VOLUNTEER Fire Dept.

The evening of May 17, 2023, there was a terrible house fire on Purdum St. The young family was able to escape unharmed, but their home was a total loss. I am sure everyone in the Borough of East Brady saw the smoke and heard the sirens. I saw first hand how our own East Brady VOLUNTEER Fire Company joined efforts with our neighboring VOLUNTEER fire companies to save this family and the homes that are so very close to it. Every person there was a volunteer! They leave their families at home to come out and save our lives and properties. Every piece of very expensive equipment is bought using fundraised money.

When you get their annual mailer requesting a donation, SEND THEM SOMETHING! When you go over the bridge and they have a boot drive, throw your cash in it! Go to their Bingo and buy their raffle tickets.

Better yet, just send them a check! They shouldn't have to beg for money to save our lives.

EBVFD 100 Graham St. East Brady, PA 16028

Pray that you never need to call them, but know that they will be ready if you do need them.

Community Free Book Exchange

There is a large book room in the Community Center that is open during Community Center hours. Anyone is welcome to come and take books. You can bring them back when you are done with them, or pass them along. We also have 2 "Little Free Libraries". One at the entrance to the Community Center and one at the Riverfront Park.

Bonnie Olcus, former secretary at East Brady High School, donated her collection of old yearbooks. You are welcome to look at them or use them for genealogical research. They are in Room 14 (Council meeting room).

If anyone has a yearbook to donate to the collection, check with the Borough office to see if it is a year we don't have.
