# EAST BRADY BOROUGH

## 3rd QUARTER 2023 NEWSLETTER

### East Brady Borough Information

Check out our website!

Go to [www.eastbradyborough.com](http://www.eastbradyborough.com)

New content is being added as time allows. There is a page just for Water & Sewer. It has our current rates and a button you can push to pay your bill on-line.

There is a tab with a calendar of events. The dates of the council meetings are published. The agenda for the council meetings is posted 24 hours before the next meeting. Citizens are welcome to attend. Let me know if you would like to speak, and I'll add you to the agenda.

### Water Line Identification

Your water bill in July contained a Lead/Copper questionnaire. If you sent it back, **THANK YOU!** If you did not, we still need to have it filled out. It is required by the DEP. If we did not receive your questionnaire, another one is being sent to you.

Please read the questionnaire and look at the back side. It explains how to determine what your line is made of. Please fill it out and return it with your payment, or drop it off at the Borough office.

Your cooperation will save us a lot of time and money, and avoid having to have someone come **into** your home.

### Fall Happenings

Bridgeview Crossings is planning another **Fall Festival** celebration on Saturday, October 7, 2023 from 12-5 pm. There will be crafts, food and pumpkins! The town will be decorated for fall and lets hope for another beautiful day like we had last year.

**Trick or Treat** will be held in East Brady Borough on Tuesday, October 31st from 5:30-7 pm.

Bagged leaves will be picked up if you put them out in front of your home. Don't make the bags too heavy. Trash and yard debris will NOT be picked up. **Leaves ONLY**, please.

### Community Center News

#### Good news and Bad.

**Bad news** first: Our Gymnasium was built in the late 1960's. There are drain lines that go from the roof down in the building on either side of the stage. One of those lines cracked and flooded the stage and water ran down underneath the Gym floor. About a quarter of the flooring was ruined!

**Good news:** We have insurance! The drain line is fixed and we are getting the **entire gym floor replaced!** Currently, the old flooring is being ripped out. Then "Sports Floors Inc." will come in and install a new floor for us. The basketball and pickleball lines will be painted. That is the same company that recently installed a new floor at the Keystone High School Gym in Knox, PA. We are intending to have the walls painted and other improvements made, but we don't want to interrupt the winter sports (basketball, soccer and pickleball). Those can wait until May of 2024.

The schedules for Gym use will be posted after the renovation is complete.

### EBADC News

**Light Up Night** in East Brady will be held on Saturday, December 2, 2023 at Veteran's Park.

They will be once again sponsoring the "**Cookie Walk**".

You can purchase your "**Cookie Passport**" at the East Brady Borough office, the Old Bank Deli or from an EBADC member. Each participating business has a block on the passport. You just walk around town and collect a cookie and get the block stamped. You get to collect yummy cookies and support the East Brady Area Development Corporation.

The EBADC will be sponsoring **Luminaria Light Up** on Christmas Eve as well. Last year it was so horribly cold, that we had to cancel. Hopefully this year the weather will cooperate. Please join us and place luminaria bags in front of your home.
