## 2nd QUARTER 2024 NEWSLETTER

### East Brady Borough Information

Check out our website!

Go to [www.eastbradyborough.com](http://www.eastbradyborough.com)

New content is being added as time allows.

There is a page dedicated to Water & Sewer. It has our current rates and a button you can click to pay your bill online. If you are having trouble paying your bill online, please make sure you are using the link from the current website (not the old website that you may have saved in favorites). If you still have trouble please call the office and I can run a credit card for you.

There is a tab with a calendar of events. The dates of the council meetings are published. The agenda for the council meetings is posted 24 hours before the next meeting.

Let me know if you would like to speak, and I'll add you to the agenda.

### Annual CCR

The Annual Consumer Confidence Report is complete and available on our website. If you would like a printed copy, please stop in the office.

### EBADC News

Please see the back of this newsletter for information about their upcoming events.

### RIVERFEST!

It's almost here!!! Our annual East Brady Area **RIVERFEST** will take place Friday, July 19 for the parade and Saturday, July 20 for events including crafts, food and entertainment. All events happen along Kellys Way in the heart of town. Invite your family to come and join the fun and stay for **FIREWORKS** Saturday night! Try watching the fireworks from a boat or on the bridge. The lights reflect off of the water and it's really beautiful!

### EBVFD

The East Brady Area Volunteer Fire Department is looking for new members. If you have never needed to call 911 for a fire, consider yourself lucky! But we need to be prepared. New members are needed to staff the department. Yes, you will need to take some classes so that you are well equipped and educated. Call 724-525-2635 for more information about the training needed to become a fireman.

Please consider joining. If you are unable to become a member please send them a donation.

Donations can be sent to: EBVFD 100 Graham Street East Brady, PA 16028

### Ordinance Issues

Ordinances are nothing more than laws regulating conduct in the Borough.

For instance: Cut your grass! If your weeds and bushes are growing over your back alley, it is YOUR job to trim them.

Yes, you can burn trash in a burn barrel. But please don't burn something that will smoke and create noxious fumes. Burning must take place between 6am & 6 pm. No burning on Sunday's or holidays.

Can you play music? Sure! But not so loud that it bothers your neighbors. Music is for YOUR enjoyment, NOT theirs.

Your dog is barking. Why?? Is he hot? Is he lonely? Is he hungry or thirsty? He is obviously unhappy. Bring him in! Dogs (regardless of size) must be kept on a leash. And if they poop in someone else's yard. Scoop it up!

All of these things are meant to improve the quality of life for the residents of our town. Following these rules and upkeeping your property is all that is needed. We can work together to make East Brady even better than it already is.  
**Thank you for your cooperation.**
