East Brady Borough Information

Check out our website!

Go to **www.eastbradyborough.com**

We have a page dedicated to Water & Sewer. Along with our current rates and an option to pay your bill online is available.

Our council meetings are still the first and third Tuesday of the month at 6 pm in Room 14. The public is welcome to attend.

New billing software update has been delayed, AGAIN. This bill is the same as the previous ones. Changes should appear on the next bill, but don't hold your breath.

New Borough Employees!

We are happy to report that we have 2 new employees. Leann Needham is working with Susan on a part time basis throughout the summer, and will become our new full time Secretary/Treasurer in the fall.

Philip Beabout is new to the maintenance crew. His name is familiar to you, because he is also chief of East Brady Volunteer Fire Department.

Both Leann and Philip are East Brady residents and we are happy to have them join our team.

Upcoming Events

Spring has arrived! That seemed like a long, cold winter. **EBADC** is sponsoring the annual, "Keep PA Beautiful" clean-up day on Saturday April 26th, 2025. Meet at the parking lot of Farmers National Bank at 9 am to pick up garbage bags and see what areas of town need attention.

Then, the week after that (April 28th) is when the street sweeper comes to town. Please park your cars off of the street so that the sweeper can clean better.

Memorial Day weekend is when we have **Attic and Cellars Days**. It is our town-wide yard sale! Time to pass your junk along to someone else, who thinks it's a treasure. Think of it as recycling! Look for signs around town to remind you.

Yoga in the Park returns to the Riverfront Park Pavillion on Saturday mornings from 9-10 am starting in mid May until Labor Day. Look for the bald eagles while relaxing along the river.

If you haven't been down to **Riverfront Park** yet, you don't know what you are missing. We have a beautiful Pavillion, picnic benches with built in high chairs and a winding path to the river. Let the kids throw rocks in the river or launch a kayak. We are in the process of constructing a new parking lot at the intersection of Verner Street and Waterway Lane. It will be open and available for anyone to park their cars and access the trail. Have you heard that we now have a **TUNNEL** that you can walk and ride a bike through!!! Follow the trail down past Philipstown and you will come to the tunnel. When you go through the tunnel you will exit across the river from Seybertown Road. Bring a flashlight! You're going to need it!

Community Center News

Our Gym is in desperate need of a new roof. It is more than 50 years old! It is a big expense for the Borough, but needs to be done so that we don't ruin our beautiful new gym floor.
