MINUTES: It was moved by Denny King and seconded by Andrew Rosengren to accept the minutes from the previous meeting as presented.

Motion carried.

CITIZENS TO SPEAK: None

Maintenance Report: Maintenance prefers an electric spreader versus a gas spreader with the LSA grant. The estimate is \$16997 compared to the gas spreader \$17397.

Philip Beabout provided the maintenance report – several water leaks have been repaired / sewer inspections were completed / the pump has been repaired on the dump truck.

Maintenance will contact LB Water to have them install special meters at specific locations.

The drain located at the corner of 4th and Kellys Way will need repaired as quickly as possible.

The pickup will need new tires for winter.

CORRESPONDENCE: East Brady Borough was awarded the LSA grant (truck/salt spreader & roller). We are to pay up front and will get reimbursed.

Ford requires \$1000 non refundable deposit at time of truck order (re: LSA grant).

Regarding the loan for the Appropriations grant from Eli Bratich (USDA). The preliminary numbers LSSE sent over are still estimates, but over the 688,000 total that we were thinking and did not include any construction loan interest payments during the renovation. The total projection is at 767,073.75. Would council like to increase the loan amount to include this amount? Now would be the time to increase this amount as we can lower it later if bids come in less, or if there is contingency money left over. It is slightly tougher to increase afterwards if these numbers would end up at higher after all the bids. Council determined that they want to only take the loan out for the match amount.
