UNFINISHED BUSINESS: Toni Henry discussed the possible danger of the fencing located on Kellys Way. Mrs. Henry recommended that the Borough place orange cones within this area. The Constable sent a letter to the possible property owner; however, received no response. There is a fine line as to who specifically owns this property where the fencing needs repaired without having a survey. It is apparent who owns the buildings-however; the property in between the buildings is the dilemma. If the Constable cites an incorrect owner his privileges could be taken away.
